Commissioner for Patents
P.O. Box 1450
Arlington, VA 22313-1450

Sir:

Pursuant to the provisions of 37 CFR § 1.56 and §1.97-§1.98, Applicants hereby submit the attached Substitute Form PTO 1449 listing a single reference, which they believe may be material to the examination of this application and in respect of which there may be a duty to disclose.

Reference 8721 is a Notice of Allowance from a related U.S. patent application that has been published. As this item is from a published patent application, Applicants believe that no copies of any documents are required to support this citation. 37 CFR §1.98. Applicants are bringing this Notice of Allowance to the attention of the Examiner pursuant to McKesson Information Solutions v. Bridge Medical, 487 F.3d 897 (Fed. Cir. 2007).

While the reference disclosed in this Information Disclosure Statement may be "material" pursuant to 37 CFR § 1.56, submission of this IDS is not intended to constitute an admission that said references are "prior art" for this invention.

In accordance with 37 CFR § 1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR § 1.56(a) exists. It is submitted that this Information Disclosure Statement complies with 37 CFR § 1.98 and MPEP § 609, and the Examiner is respectfully requested to consider the listed references.

This IDS is being filed before the receipt of a first Office Action following the filing of a Request for Continued Examination under §1.114 that was mailed to the USPTO on December 20, 2007. While the USPTO's Office of Petitions, in its Decision on Petition mailed December 17, 2008, asked the Technology Center AU 2132 technical support staff to re-mail a Notice of Allowance that the USPTO allegedly mailed on April 4, 2008, no such new Notice of Allowance has been mailed by the USPTO. Therefore, Applicants conclude that no fee is due. While Applicants believe that no fee is due, the Commissioner is hereby authorized to charge our Deposit Account No. 19-3140 for any fees required in connection with the filing of this Information Disclosure Statement. This sheet is being submitted in duplicate.

Respectfully submitted,
